

St. Cecilia's Public School Cecilians visit CATALYST 2019-medical exposition at AIIMS, New Delhi.

Class XII Science students of St. Cecilia's Public School visited CATALYST 2019 – A medical exposition put forth by AIIMS, New Delhi on 12th April 2019 alongwith PGT chemistry Ms. Meenakshi and TGT Science Ms. Dapinder. The exposition was held at Jawahar Lal Auditorium in AIIMS.

It was a learning opportunity as students observed Basic life support techniques such a CPR. Students visited laboratories of various branches : Anatomy, Biomedical and Physiology. The day long exposition visit made the students aware about the various wonders of medical science and complexities of human body.

The teachers and students returned with enriched knowledge and precious experiences. They thanked Madam Principal for providing them the valuable opportunity to visit AIIMS.
