

**St. Cecilia's Public School
Christmas Celebration
Class – II & III**

To mark the occasion of Christmas and New Year, the students decorated their classrooms. They were shown parables of Jesus Christ and were explained about the teachings of Jesus Christ. Students made beautiful cards for their parents and were excited to wish them. They enjoyed the class party and had their favourite snacks and juices. Students of class III also enjoyed decorating their classrooms and learnt the teachings of Jesus. They enjoyed making beautiful wall hangings and decorated them nicely using their creativity.
