

## St. Cecilia's Public School Cleanliness is a way of living

St. Cecilia's Public School is a temple of learning by doing. 150 years of celebrating Gandhism was showcased by hundreds of Cecilians as they participated in Cleanliness drive organised as an integral part of festivities. Students of classes IX to XII eagerly dusted, swept and mopped their classrooms. The students and teachers as a united family decorated their class rooms with colourful decorations and artistic rangolis.

The values of cleanliness and hygiene were caught by all the students as they understood the importance of 'Swachta' and realized the need to become environment friendly citizens working towards a clean city- green city, Madam Principal Mrs. Inderpreet motivated the students to continue with the noble cause and in cooperate the habit of cleanliness in their daily routine.
