

St. Cecilia's Public School

Club Activity

Middle Wing

Club activity is organized on every third Saturday So in the month of April i.e. 21.4.2018, the middle wing of St. Cecilia's Public School had many fun filled activities. Various clubs like aerobics, dance, stitching, Art & Craft, cooking without fire, Computer were enjoyed by the students. Later in the second half there was Science competition, it was Science Toon competition for classes VI-VIII. They were explained the concept of competition in advance. The competition gave the children an interesting medium of expression. Students used various innovative ideas. The students participated with great enthusiasm. The day gave the children unique learning opportunity.
