

St. Cecilia's Public School

COMPETITIONS ORGANISED BY 'ECO-CLUB'

ON 29th APRIL 2017 TO CELEBRATE 'EARTH DAY'

'Eco Club' of St Cecilia's Public School , Vikaspuri, New Delhi organized various competitions for classes IX , X and XII to spread awareness, sensitize students and progressively celebrate 'Earth Day'. Earth Day is a world- wide celebrated event which aims towards raising the pertinent issues linking to environmental and human sustenance on Earth in the light of preserving the Mother Nature. The competitions were designed in such a way that they will stimulate the creative potential in children, make them aware about the important contemporary environmental issues of concern which are constantly threatening and degrading Mother Earth.

The spiral of intellectual and creative thought in this direction was built around the following activities:

CLASS	COMPETITION HELD
IX	Poster Making
X	Slogan Writing
XII	Banner Making

Mass participation blooming with constructive energy was observed as students addressed diverse issues like pollution, depletion of ozone layer, depletion of natural resources , radioactive pollution, waste disposal and problems of human sustenance on the earth in an impactful way. The creative energies of the children found great artistic and scholarly expression in the form of impressive posters, thought provoking slogans and impactful banners.

Madam Principal was delighted to see the activities which laid in the seeds of active and responsible citizenship not only towards the state but foremost for the Mother Earth which is the provider of everything for human sustenance. The concept of co-existence of life and nature came alive through the creative expressions of young budding minds.
