Unleash the creativity – Design Magazine Cover.
“Creativity is the way I share my soul with the world”

The Editorial club of St. Cecilia's Public School organised 'Design Magazine Cover' competition for the students of class XI on 30.11.2018. The students showed excitement and enthusiasm while designing the cover.

Students had taken up plethora of themes to be portrayed on the front page cover – there was a beautiful portrait of Ganesha on one of them education was the theme on a few others. One student also designed the magazine cover with the school motto – Education for Knowledge, Wisdom, Character and Courage.

It was heart-warming to witness such nuanced artistic skills in the students whose talent got manifested in their final result.

The competition was highly enjoyed by the students who availed the opportunity offered to them to harness their skills.
