

# St. Cecilia's Public School

## Class I -Activities

### Father's Day (Medal Making)

The children of class one made medals using glitter foam sheets for their fathers. They wrote on the medal 'World's Best Dad' and showed their love and respect for them.

### Mother's Day (Photo Frame)

A child's first teacher is his/her mother. God could not be everywhere so he made mothers. The children made lovely photo frames for their mothers to show their appreciation, love and care for her.

### Fancy Dress

#### Topic : Freedom Fighters

To pay the tribute to the freedom fighters who sacrificed their lives for the country a fancy dress was held. The children came dressed up as different inspirational heroes and spoke a few lines on them.

### **Earth Day (Colouring activity)**

The students of class one participated in the Earth day colouring activity with zest and vigour. They learnt about the importance of keeping the earth green and clean.

### **Umbrella Colouring activity**

After the hot summer the first drizzle of rain brings back smile on our faces. The smell of soil after that drizzle is mesmerizing children love carrying colourful umbrellas in rain. A colouring activity was conducted for the kids in which they filled colours of their choice in the paper umbrellas.

### **Show and Tell – Hindi Vyanjan**

The Students of class one participated in the show and tell activity on vyanjans with full zest and vigour. They spoke lines on different varnas using handy props.

### **Paper Boat making activity**

Building paper boats is fun and provides the kids with the opportunity to be creative. Keeping this in mind a paper boat making activity was conducted for the kids. They added their own flair to their boats and loved making them.

### **Pakora Party**

The rainy season gives everyone an excellent opportunity to try mouth watering pakoras. The kids of class one had a pakora party in which they relished the yummy pakoras in the lovely monsoon weather.
