### Flower Exhibition and Best Out of Waste Exhibition

Come spring and one can see flowers blooming everywhere. The fresh, lush green and new leaves on the trees are a wonderful sight. Spring-a new beginning of a new life. So to enjoy the spring season and to make the children appreciate the beauty of nature, a flower exhibition was held children were taken to see the fresh, beautiful, blooming flowers. They were made aware of the different names of various flowers and ornaments plants.

#### **BEST OUT OF WASTE : EXHIBITION**

A best out of waste exhibition was also held. Children with their innovative ideas made a lot of useful and wonderful things like kaleidoscope, nest, cups, pen stand etc. Children were zealous and made all these items with great enthusiasm. The efforts of the children were appreciated and applauded by all.
