

St. Cecilia's Public School

Fun-n-Frolic Games

In order to maintain a balance between work and pleasure Fun n frolic games were organized for the children of class III. They were encouraged to bring various equipments for indoor and outdoor games. Children enjoyed playing badminton, cricket, football, ludo, snakes and ladder etc. Teachers also took initiative to play with their students. Children enjoyed playing with their teachers. They were also explained the need to maintain a balance between their studies and sports and the importance of games in their life.
