St. Cecilia's Public School

Geekoz IT-Club

Summer Fest 2017

Geekoz IT-Club organized Summer Fest intra class competitions in the first week of May 2017 to inculcate student's interest and awareness about Information Technology. Students from classes I to V participated in the competitions with great enthusiasm. Students competed in Gaming and learning, Typing in Notepad, Painting in MS-Paint, Programming in Logo and IT-Crossword. The school Principal Mrs. R. Bhumra and vice Principal gave an opportunity to the students to participate in such competitions. They encouraged the winners by awarding them gold, silver and bronze medals. Some students were also given consolation prizes.
