

# St. Cecilia's Public School Geekoz IT-Club Summer Fest 2018

In the new session to boost up creativity and innovation in students, Geekoz the IT-club of the school, organized “Summer fest 2018” for students of primary classes. It aimed at bringing out the best of talent, innovation and creativity amongst budding cecilians. The event comprised of a series of intra class competitions for the students of Primary Classes from 2 May’18 – 4 May’18. Students from classes I to V showcased their talent by participating in the competitions with great enthusiasm. Students competed in softwares such as Typing in Typing Tutor, Painting in Tux-Paint, Crossword Solving and PowerPoint Presentation. The school Principal Mrs. Inderpreet Kaur gave an opportunity to the students to participate in such competitions. She not only boosted the moral of the participants by her valuable presence but also encouraged them with her suggestions and guidance.
