

**St. Cecilia's Public School**  
**Class II**  
**Sprouts making Activity**

The activity was conducted to encourage the students to eat healthy food and say no to junk food. Students brought sprouts and chopped vegetables from home. They relished the treat with their classmates and understood the value of nutritious food.

**Making of Bookmark**

To inculcate the habit of reading in students and to teach the usage of bookmark, bookmarks were made. Related quotations were written on them. Students took keen interest in making them and promised to read story books on a regular basis.

**Lemonade Party**

To beat the heat of summer, a lemonade party was organized for students in their respective classrooms. Along with the method of preparation in a sing-song way, health benefits of drinking lemonade were discussed with the students.
