REPORT ON COMPETITIONS AND ACTIVITIES CONDUCTED FOR SPREADING AWARENESS AMONG STUDENTS

REGARDING PREVENTION OF MOSQUITO BORNE DISEASES

Eco club of St Cecilias public School , Vikaspuri in association with the Committee for Prevention of Mosquito Borne Diseases, as per the guidelines issued by the Directorate of Education, organized various activities and competitions for school students as per the schedule given below:

CLASS	DATE	PERIOD	COMPETITION/ACTIVITY
IV	08.8.2017	0 and 1	ILLUSTRATIONS OF DO'S AND DONT'S OF MOSQUITO PREVENTION
V	08.8.2017	0 and 1	POSTER DESIGN ON CLEAN INDIA –HEALTHY INDIANS
VI	27.7.17	0, 1 and 2	BANNER MAKING
VII	27.7.17	0, 1 and 2	SLOGAN WRITING
VIII	27.7.17	0, 1 and 2	ENCYCOPEDIA SHEET DESIGN/ DO YOU KNOW FACT FILE
IX	27.7.17	5, 6 and 7	LOGO DESIGN FOR AWARENESS CAMPAIGN
X	27.7.17	5, 6 and 7	POSTER MAKING

The spiral of the activities mentioned above witnessed great enthusiasm and creative expression of children, who did extensive research work, enhanced their knowledge regarding mosquito breeding and set up an awareness campaign in the school to jointly stand up for the cause. Madam Principal, Madam Vice Principal, the Coordinators and the teachers stood up with the children together to start this movement against mosquito breeding, aiming towards prevention of mosquito borne diseases. Following is a brief reflection of the various activities conducted for the cause.

1. CLEANLINESS DRIVE: CLEANLINESS AS A WORK ETHIC:

Students of all the classes via curricular and co-curricular themes have been stressed on the importance of cleanliness as the basic principle towards prevention of plethora of diseases. The values of cultural cleanliness are inculcated in the school students as the driving force behind preventive programme of any infectious disease.

2. ACTIVITY ON ILLUSTRATIONS OF DO'S AND DON'T'S OF MOSQUITO PREVENTION Students of class IV utilized their critical skills to analyse and creatively illustrate the DO'S and DON'T'S of mosquito prevention forming a crucial part of the awareness campaign.

3. POSTER MAKING: CLEAN INDIA, HEALTHY INDIANS

Cleanliness is next to godliness. With this basic theme the students of Class V designed creative posters to spread awareness in this direction.

4. BANNER MAKING

Students of class VI designed eye catching banners by combining both content with their creativity to impact fully spread the strong message across.

5. SLOGAN WRITING

Students of Class VII, raised their voice for the cause, and expressed their opinions via this Slogan writing competition which witnessed the power of words come to the aid of spreading literacy for the cause.

6. ENCYCLOPEDIA SHEET DESIGN & CREATION OF DO YOU KNOW FACTFILE

Students of class VIII had this intellectually stimulating activity wherein they designed a sheet of encyclopedia without any constraints on their creativity to present diverse information on mosquito borne diseases.

7. LOGO DESIGN FOR AWARENESS CAMPAIGN:

For students of class IX, a creatively stimulating activity to design of a logo for the campaign for prevention of mosquito breeding and diseases borne out of them was organized. Students designed impressive logos which were meaningful in giving the message across.

8. POSTER DESIGN:

Students of class X designed informative posters which enriched the knowledge of the viewers in an interesting way.

9. BULLETIN BOARD DECORATION

To spread awareness, make their opinions both heard and visible students tapped the bulletin boards as an important platform to give a strong message across. The Bulletin boards of the school became a strong forum for spreading literacy in this direction.

10. MORNING ASSEMBLY AS A STRONG FORUM TO SPREAD AWARENESS: TAKING THE PLEDGE

Via enactments, visual as well as auditory tools, students utilized morning assembly as a platform to spread awareness for the cause in an informative yet interesting way. All the students of the school took the pledge as per the guidelines issued by the Directorate of Education ceremoniously.

The above mentioned activities and competitions not only enhanced the knowledge of the students regarding prevention of mosquito borne diseases but also instilled a sense of duty and responsibility amongst the school students to stand up collectively for the cause, personally as well as socially.
