

## St. Cecilia's Public School Painting Competition

Times NIE in association with Ananda had organized a poster making competition. The competition was held in the St. Cecilia's Public School on 6.2.18. The topic was "Air Pollution". Students eagerly awaited and actively participated in the competition. They were provided with drawing sheets and they used their materials. They exhibited their talent through various innovative ideas and enhanced by using beautiful colours and making it colourful. They made attractive posters and later the best posters were awarded with gifts medals and certificates.
