

St. Cecilia's Public School Quiz Club – India and Heritage

On 4th September, 2018 the middle wing of St. Cecilia's Public School organized a Quiz competition on the topic 'India and Heritage'.

The motive behind the quiz was to check the knowledge of students about their mother Country and its ancient glorious past.

It consisted of questions from history, geography, Science, Sports and general awareness as well so that students are able to know about the happening around them.

All the students participated in the quiz with great enthusiasm and with a sense of healthy competition among them; they did a mixed bag of questions which ensured that they minutely read every detail in the newspapers that they get from school as well as at their homes.

Life has a way of testing us.
Every day is a new quiz,
And every morning
That we wake up
Is proof that we've passed.
