

St. Cecilia's Public School
Session – 2017-18
Quiz Club

☞ To attain knowledge, add things every day. To attain wisdom, remove things every day. ☞
- Lao Tzu

‘Knowledge lies beyond the text books’ this famous saying is the driving force behind the idea of the Quiz club which was started in our school in the academic session 2016-17. It was the vision of Madam Principal and Madam Vice Principal which has transformed into a reality. All students from Class IV - Class X participated enthusiastically in the various quizzes and came out with flying colours. The merit holders of the clubs will form the core team of the Quiz Club for the session 2017-18.

Inquisitiveness is the root of knowledge. The zest to know and add on to the knowledge bank bit by bit is the philosophy of the Quiz club. To achieve this aim, the Quiz club has planned another set of quizzes for the students for the academic session 2017-18, so that students can gain knowledge beyond the scope of their textbooks.

The Quiz – 1 was conducted on May 6, 2017 for the middle wing (Class VI-VIII) and May 9, 2017 for the primary (Class IV –V) and the senior wing (Class IX –X) of the school. The Quiz – 1 for the middle wing comprised of questions based on the English language to enhance their vocabulary and grammar. However, in the primary and senior wing, it was a general quiz enriching the students in English, Hindi, Mathematical Ability, Indian Heritage, Science and Environment. The question papers also included questions on current affairs to check the knowledge of the students about the latest happenings around the world. Mass participation was ensured and it was observed that students did their quiz with utmost sincerity.
