

St. Cecilia's Public School

School Road Safety Awareness Campaign

In the month of October, St. Cecilia's Public School organized school road safety awareness campaign in the school.

Various competitions held for the campaign to create an awareness among the students for the same. Students actively participated in all the competition. The main purpose for conducting such campaign in the school is to create an awareness regarding road traffic which is becoming dangerous day by day.

Quiz club organized a quiz competition. A questionnaire was given to the students. The competition enables children to understand and demonstrate their knowledge in efficient manner. Other competitions were Poster making, Debate and essay writing. Students made beautiful posters and creative one. Debate and essay competition created awareness as they enhance the ability to structure and organize thoughts.
