

St. Cecilia's Public School Symphony of Life – Presentation by Class II

To sensitize the students about the importance of saving Mother Earth and Environment, Presentation from all sections of Class II were showcased titled – Mother Earth – The Symphony of life. The presentation included skits, dances etc. The theme or the topic ranging from saves trees, wildlife, earth etc. The performance of the students was commendable. Each one did his/her part fabulously. The guest of honour was our founder principal, now manager of our school, Mrs. R. Bhumra. A welcome speech was given by Madam principal Mrs. Inderpreet.

The effort of all the teachers was well appreciated by all the parents and conveyed by the primary co-ordinator Mrs. Meena Rawat. This was conducted to ensure mass participation of the students. It was overwhelming to see the zeal and the enthusiasm of the students and the parents alike.
