

St. Cecilia's Public School
Science Slogan Competition IV-VI
Science toon Competition VII-VIII

Scientia club of St. Cecilia's Public School organized "Science slogan competition" for class IV to VI and "Science toon competition" for classes VII to VIII in the month of April 2018. The competition gave the children the unique learning opportunity to explore scientific concepts and express them in an interesting way. Students choose their own mode of Illustrations and choice of art work.

Students participated with great enthusiasm and plethora of creative ideas in the science slogan and science toon competitions.
