

St. Cecilia's Public School Special Assembly

On 29.11.17 a special assembly was conducted for the students of middle wing. Two different acts were performed in assembly on the topic unity and save environment. Students depicted various changes that occur in the environment. The modern lifestyle and advancement in technology have had a very bad impact on nature and its resources, as these all not use judiciously. Second play laid more emphasis on unity. That India is a secular country we all human beings belong to one Earth, one nation that is Mother Earth.

Students participated with great zeal.
