

ST.CECILIA'S PUBLIC SCHOOL

VIGILANCE WEEK

In order to scale new heights of progress corrupt practices have to be eliminated. To achieve this we need to be honest, sincere, united and integrated. To keep this objective in mind, the school has observed Vigilance Awareness Week from 30th October to 3rd November. A number of activities were organized at different levels under the guidance and supervision of madam principal & Vice-Principal.

A Street Play was conducted at middle level on showing how corruption has tainted the image of India outside. Further, Cartoon making, essay writing competitions were organized at the senior level. Emphasizing the role of moral education in eradicating corruption, elocution completion was organized for class X.

Further the 'Integrity Pledge' was undertaken by the students and the teachers in the school premises promising to promote values of integrity, sincerity and truthfulness, which are required for every individuals holistic development and also for the development of the nation.

Winners of the above mentioned competitions were awarded with certificates and medals.
