PCRA QUIZ 2017

It is well said that the '*Earth has sufficient to satisfy the needs of the people but not the greed of even one individual*'. Overexploitation of natural resources is a global phenomenon. We must remember that we have to live as the one of the living species and as a part of nature, and not as the master of nature. We must use resources judiciously and carefully but excessive use of oil and petroleum will force everyone to walk in the future instead of riding a vehicle.

Keeping the above-mentioned objective in mind PCRA, Ministry of Petroleum and Natural Gas, Govt. of India is organizing QUIZ 2017. **Any student of age 13-17** years are eligible to participate in the Quiz.
