**Subject: Warm Wishes for a rejuvenating winter break.**

Dear Parents,

As the winter break begins, each one of you must take pride in the accomplishments and meaningful experiences of 2024. The winter break is a time of quiet contemplation and an opportunity to begin afresh with the reflection of the past.

At the onset of 2025, let optimistic and progressive resolutions based on fruitful introspection bring to you accolade and contentment.

On behalf of all, I offer you best wishes for the holiday season. I hope you have the opportunity to relax, reconnect with your friends and family and enjoy this break in the academic calendar.

I look forward to see you back in school campus in January 2025.
