Activity: Brainy Bowl

Date: 11 Feb 2025

Participants: Students of class 6,7 and 8

The Scientia Club conducted an activity, “Brainy Bowl” , for students of classes VI ,VII and VIII. The objective of the science quiz was to assess the students' knowledge and understanding of general science concepts, encouraging them to think critically and apply scientific principles to everyday life.

The science quiz was a successful event providing valuable insights into students’ understanding of general science concepts. The quiz helped to identify areas of strengths and weakness enabling teachers to tailor their instructions to meet needs of their students.
