Activity: Powerpoint Presentation

Date: 23 August 2024

Participants: Students of class VII and VIII

The students of class VII and VIII presented powerpoint presentations on **Indian scientists** spanning from Ancient to Modern India, who have had a major impact in the field of science and technology. Presentations included eminent scientists like Sushruta, Anna Mani, Tessy Thomas, APJ Abdul Kalam and Homi J. Bhabha.

The student participants provided interesting anecdotes and fun facts about scientists making presentations informative and interesting. This activity fostered love for science and inspired students to explore the world of science and its applications.
