

**St. Cecilia's Public School**  
**Scientia Club**  
**Be a scientist**  
**Class VI-VIII**

With the aim to nurture children's creativity, a Fancy Dress Competition was organized by Scientia club for students of class VI, VII and VIII on 15 April 2023. The purpose of conducting the competition was not only to blend learning with fun but also to develop confidence in the students by giving them opportunity to get on stage & speak in front of the audience. The students were full of enthusiasm as they dressed up as different scientists and spoke about their inventions. They were dressed as Thomas Edison, Marie Curie, Michael Faraday, Sir Isaac Newton etc. to name a few.

Overall, there were around 80 participants whose talent and dedication made this event successful. The effort and hard work of children and parents were highly commendable. The competition proved to be great learning experience for the students and gave them a platform to explore their hidden talents.
