

ST. CECILIA'S PUBLIC SCHOOL
COMMERCE CLUB QUIZ ACTIVITY
ECOMM QUIZ
CLASSES INVOLVED: XII C AND XII D1
DATE: 28th OCTOBER 2024

“Develop a passion for learning. If you do, you never cease to grow.”

The Commerce Club of St. Cecilia's Public School organised a quiz activity for class XII students of commerce stream with the objective to reinforce concepts and assess student understanding in core subjects of the stream – Accountancy, Business Studies and Economics. The President of Commerce Club, Bhavya Malhotra along with his 'Ecomm Crew members' Parth Maggo and Shubhangi Arya prepared the quiz. They acted as 'Quiz Masters' and exhibited their exceptional leadership and intellectual skills. The quiz provided an opportunity for the participants to showcase their knowledge, sharp thinking skills, intellectual ability, teamwork and competitive spirit. At the same time it provided ample opportunity for the audience to participate in various rounds of the activity which could arouse equal amount of interest in the audiences also.

The four teams participated in the competition- two teams from each section. The quiz consisted of four rounds.

Round I : 'Quick Score Round' which consisted of basic questions related to the three subjects.

Round II : 'Brain Teaser Round' which consisted of high order thinking skill questions and competency based questions related to the three subjects.

Round III : 'Rapid Fire Round' which was designed specially to judge the speed, accuracy and presence of mind of participants. It was designed on the lines of 'Super Sandook' of KBC – A famous quiz game show telecasted on Sony TV.

Round IV : 'Business Awareness Round' which consisted of questions bases on latest news and important happenings in the business world.

The winners of the competition were:

First prize :Ishika Sadyora, Mehul Jain and Keshav Gombhar – XII C

Second Prize : Prerit Kataria, Daksh Nanda and Niharika Raheja -XII C

The quiz activity was a big success. The participating teams gave tough competition to each other. It turned out to be a confidence booster and one of those few learning experiences that were not only challenging, interactive and engaging, but was also fun!
