

St. Cecilia's Public School

A Moment of Pride: St. Cecilia's Shines at the Cambridge English Coordinators' Conference

St. Cecilia's Public School added another feather to its cap by receiving two prestigious awards at the Annual Coordinators' Conference organised by Cambridge English on 1st August 2025 at The Park, Connaught Place, New Delhi.

In a proud and memorable moment, the school was honoured as a Preparation Centre for Cambridge English Qualifications, acknowledging its consistent efforts in equipping learners with globally recognised English language skills. Adding to the glory, the school also received the "Emerging Star of the Year" Trophy, celebrating its dedication and excellence in fostering language proficiency among students.

The milestone would not have been possible without the visionary leadership and constant encouragement of Madam Principal, under whose guidance the school continues to scale new heights.

The recognition at such a prestigious platform has further inspired the faculty and learners of St. Cecilia's Public School to pursue excellence with renewed enthusiasm and determination.
