

St. Cecilia's Public School
Felicitation Ceremony by Commerce Teachers Foundation, New Delhi

St. Cecilia's Public School conducted the International Commerce Olympiad organised by Commerce Teachers Foundation on 22 November 2024. All the commerce stream students had participated in it enthusiastically. A felicitation ceremony was held on 14 September 2025 to honour the students who had excelled in their performance. The event celebrated not only the students' achievement but also the dedicated mentorship of the teachers.

It is a matter of pride for the school as Aayaan Ali, a Class XI student brought laurels to the school by securing the “ Vanijya shree - Third position” in the Olympiad. He was rewarded for his remarkable accomplishment reflecting his hard work, commitment, and passion for learning.

Equally commendable was the recognition offered to the Commerce teachers who had guided the achiever, Ms. Nidhi Dhingra and Ms. Reena Rani. They were felicitated for their consistent efforts and motivation that played a vital role in shaping the student's success.

The ceremony was filled with honour, positivity, and inspiration. It not only acknowledged outstanding achievements but also encouraged students and teachers alike to aim higher and continue the pursuit of excellence.

Madam Principal congratulated the student as well as the teachers for their successful accomplishment.

Such recognition strengthens the belief that with dedication, guidance, and perseverance, fruits of success are always within reach.
