

## St. Cecilia's Public School

### Interclass Quiz Competition on Cyber Hygiene

| S. No. | Class | Date and Venue      |
|--------|-------|---------------------|
| 1      | V     | 03.08.26 , Basement |
| 2      | IV    | 03.08.26 , Basement |

The **Geekoz IT Club** successfully organized an **Interclass Quiz Competition on Cyber Hygiene** for the students of **Classes IV and V** on **3rd August 2026**. The event aimed to create awareness about safe and responsible use of digital technology while making learning enjoyable and interactive.

The quiz witnessed enthusiastic participation from students of both classes, who displayed remarkable knowledge and confidence. The questions covered various aspects of cyber hygiene, including creating strong passwords, identifying phishing attempts, online privacy, digital etiquette, safe internet browsing, cyberbullying awareness, and responsible use of social media and digital devices.

The competition was conducted in multiple rounds, featuring questions for the teams and rapid-fire sessions for the audience. The participants answered with great enthusiasm, making the event lively and intellectually stimulating. The audience also remained actively engaged throughout the competition by responding to bonus questions.

The event was efficiently planned and conducted by the members of the **Geekoz IT Club**, who ensured smooth coordination and fair evaluation. Their efforts reflected excellent teamwork, leadership, and organizational skills.

The quiz concluded with the announcement of the winners, who were applauded for their outstanding performance. The event was a great success and was appreciated by teachers and students alike.
