Class VI-B Assembly
Topic- "Cyber Safety and Mobile Addiction"

An assembly of Class-VI B was organised on 06.11.24(Wednesday) on the topic 'Cyber Safety and Mobile Addiction'. Use of Internet has become the part and parcel of life. But along with its usefulness in various fields, there are many Cyber Crimes which are emerging.

Also, Mobile addiction is increasing day by day which has a negative impact on the health of children and adults. To make everyone aware about these issues, students presented Speeches, English and Hindi poems on this topic.

Some students explained the netiquettes i.e. how we can be safe on Internet through banners stating the meaning of each letter of Cyber Safety.

Our Coordinator ma'am also guided the students to use the Internet safely, not to share the personal information online and take the help of parents and teachers in case of any problem. She also emphasized the need to refrain the use of mobile phones unless it's much required. At last, the assembly concluded with National Anthem.
