

St. CECILIA'S PUBLIC SCHOOL
Session 2024-25
FABULOUS FACTS ABOUT DIWALI

"May the lights of Diwali illuminate your life and bring you happiness and success."

Happy Diwali!

The Quiz Club (Senior Wing) of our school organised a session to raise awareness about the Diwali festival, focusing on its cultural, historical, and environmental aspects. Club members explained Diwali's significance, highlighting its message of good triumphing over evil. Students learned about the traditions, like lighting lamps, making rangoli, and sharing sweets with loved ones. Emphasis was placed on celebrating responsibly, avoiding pollution from firecrackers, and using eco-friendly alternatives. The session encouraged students to respect diverse ways of celebrating Diwali, as it's observed by different communities. By understanding the festival's deeper meanings, students were inspired to celebrate Diwali in a mindful, safe, and joyful way.
