The students of class V-B presented an engaging and informative assembly on the topic “Dos and Don'ts of the Winter Season.” The objective of the assembly was to help everyone understand how to stay healthy, safe, and kind during the cold winter months.

The assembly began with a warm welcome by the students, who spoke about the beauty of the winter season and the importance of taking care of ourselves during this time. The Thought for the Day, emphasized the message, *“Take care of your body in the winter, so it can take care of you in the spring.”*

The News Headlines, was followed suggestions given by a panel of experts who shared useful tips through the “Dos and Don'ts of the Winter Season.”

To reinforce the learning, students also prepared placards displaying the Dos and Don'ts of the winter season, which were exhibited during the assembly. The assembly ensured a 100% participation of the students. The assembly concluded with the pledge emphasizing the need to take care of oneself in winter season. Our Coordinator, Ms Meena Rawat reiterated the do's and don'ts of the winter season.

Overall, the assembly was both educational and entertaining. It helped students understand good winter habits and encouraged them to enjoy the season responsibly while caring for others.
