St.Cecilia's Public School

Celebrating the Victory of Good Over Evil: Dussehra 2026

St. Cecilia's Public School (Pre-Primary Wing) celebrated the vibrant festivals of Navratri and Dussehra with great joy, enthusiasm and devotion. The celebration was thoughtfully organised to familiarise our young learners with the rich cultural heritage of India and to instil in them the timeless message of the victory of good over evil.

The little Cecilians came dressed in colourful traditional attire, adding festive charm and vibrancy to the day. The special assembly, presented by the students of Class Prep was the highlight of the celebration. The tiny tots enthralled everyone with their energetic and graceful Garba and Dandiya dance performances, radiating festive spirit and confidence.They also participated with great zeal in creative activities like colouring images of lord Rama and Ravana, which enhanced their creativity and fine motor skills.

Headmistress Ma’am narrated the story of Lord Rama, elucidating the significance of Dussehra. She inspired the children to follow the path of truth, courage and righteousness.
