

St. Cecilia's Public School
E-Collage Competition
Classes-VI-VIII
Date: 11.11.24

An E- Collage Competition was organised by GEEK-OZ IT Club for the students of classes VI-VIII on 11.11.24 on the topic- “Applications of AI”/ “Future of Earth” in Junior Computer Lab. The students finalised after the first round made the collage on one of the topics given. In the event, the participants were supposed to make creative collages with eye-catching layout and contemporary designs on MS-Word/MS-Powerpoint/ Photoshop. Students presented their work beautifully by using various tools of the software chosen.

Students secured I,II,III positions and Consolation prizes in this event .

The event was organised by Ms. Sakshi under the guidance of Ms. Prajya Dutta (Geekoz IT club incharge) and the Judge of the event was Ms. Harveen. School Principal Ms. Inderpreet Kaur encouraged the participants. Winners were presented certificates and medals.
