

St. Cecilia's Public School
ECO CLUB
'EARTH DAY CELEBRATIONS'
(CLASSES IX TO XII)
APRIL, 2024.

Eco Club of St. Cecilia's Public School, Vikaspuri, Organised plethora of activities for students of the Senior Wing (Classes IX to XIIth) on 09.04.2024, to mark 'Earth Day Celebrations'. Eco Club in true sync with its motto of being the warrior for Mother Earth, celebrated Earth Day with the sincere pledge and commitment of taking all steps possible in conserving Mother Earth.

The students presented a beautiful array of resolutions and commitment towards the Mother Earth in the form of their artistic expressions. Students of class IXth made beautiful paintings depicting their utmost dedication to the cause of conserving Mother Earth. Class Xth initiated the save Earth Campaign by making informative yet attractive posters, motivating everyone to join hands in this cause of utmost significance. Students of Class XII, displayed brilliance in their creative potential in the form of 'Collage' which included use of diverse eco-friendly materials to beautifully put the strong message of saving the Mother Earth across. All the students of the Senior Wing pledged to take this resolution further in the wider arena of their family, society, state and nation at large.

Diverse plethora of above mentioned activities were conducted and the following students were awarded for their creative excellence:
