

ST. CECILIA'S PUBLIC SCHOOL

EARTH DAY ASSEMBLY

Class - III D

Class III-D conducted an assembly on 18th May, 2023. The spirit of gratitude was celebrated by the students for the celebration of Earth Day. Students started the assembly by prayer and then an act was conducted, where students dressed as "Happy" and "Sad" earth. A conversation was shown between the two phases of earth and through that the importance of traditional lifestyle and the necessity to be careful for the nature while developing the nation was shared.

Students wore flash card of different parts of surroundings like animals, trees and plants, factories, food etc and shared the importance of healthy life style. Students by the end of the assembly took the pledge for protecting the nature with full enthusiasm.

Students celebrated the earth day by showing the importance and becoming more aware of their actions towards the nature.
