

St. Cecilia's Public School

Commerce Club Activity

ECOMM QUIZ 2025

Date: 18th August 2025

Classes Involved: XI C, XI D1, XII C, XII D1

"Knowledge increases by sharing, not by saving it."

The Commerce Club of St. Cecilia's Public School successfully organised ECOMM Quiz 2025 for the students of Classes XI and XII (Commerce stream). The activity aimed at strengthening subject knowledge while assessing students' understanding in Accountancy, Business Studies and Economics.

The event was planned and executed under the guidance of the Commerce Club President, Manan Raheja, and Vice President, Dashmeet Singh, along with the enthusiastic support of the Ecom Crew members – Manan Bedi, Lakshay Dulwani, Hardik Kanwar, Sanvi Girsar and Saksham Lal. Serving as Quiz Masters, they showcased excellent leadership and intellectual skills, making the quiz both engaging and interactive.

The quiz featured four competitive rounds:

- Round I – Quick Score Round: Basic subject-related questions.
- Round II – Brain Teaser Round: Higher-order and competency-based questions.
- Round III – Rapid Fire Round: Modeled on the 'Super Sandook' format from KBC, testing accuracy, speed, and presence of mind.
- Round IV – Business Awareness Round: Questions based on current business news and developments.

The contest saw four teams (two from each section) from class XI and six teams (three from each section) from class XII, competing with great enthusiasm. Audience participation was also encouraged, making the event lively and inclusive.

After a closely fought competition, the winners were:

Class XII:

- First Prize: Mukul Raj, Riya Jaikaria and Varleen Kaur (XII C)
- Second Prize: Aarav Mehta, Sahib Singh and Mohit Jain (XII C)

-Third Prize : Trilochan Singh, Anshika Sethi and Dhaani Singh (XII D1)

Class XI:

First Prize : Raghav, Tanmay and Krishna (XI C)

Second Prize : Ananya Anish, Shourya Bhatia and Rachit Gandhi (XI D1)

The activity proved to be a resounding success, fostering teamwork, critical thinking, and confidence among participants. It was not only a test of knowledge but also an enjoyable learning experience for all involved.
