

**St. Cecilia's Public School**  
**Earth Day Activity**  
**VI-VIII**

"The Earth is what we all have in common – let's protect it together."

To mark the occasion of Earth Day, the Editorial Club of our school organized a special activity on 23rd April 2025 for the students of Classes 6 to 8. The goal was to encourage students to reflect on the importance of caring for our planet and express their thoughts creatively.

Activities by Classes–

Class 6: Plant a sapling and create a collage with a message on the importance of trees

Class 7: Slogan writing on Mother Earth

Class 8: Poem recitation on Mother Earth (English or Hindi)

Students took part with great interest and enthusiasm. Class 6 students planted small saplings and made colorful collages that carried strong messages about saving the environment. Their efforts showed a clear understanding of how trees help our planet.

Class 7 students impressed everyone with powerful and meaningful slogans that reminded us of our duty towards Mother Earth. The creativity and concern in their words made a lasting impact.

Class 8 students added a poetic touch to the day with their heartfelt poems in both English and Hindi. Through their beautiful verses, they shared love, respect, and concern for nature.

Overall, the Earth Day activity was a meaningful experience. It helped students connect with nature and inspired them to take small steps towards a greener future.
