

**St. Cecilia's Public School**  
**Scientia Club Activity**  
**Educational Visit to National Physical Laboratory**  
**Date: 4<sup>th</sup> October, 2023**

Under the guidance of Madam Principal, the Scientia Club organized an educational visit to National Physical Laboratory (NPL) on 4<sup>th</sup> October 2023 for classes XI-XII (Science) for 100 students.

The main motive was to enhance imagination skills, innovation skills along with the scientific temperament. It helped students to learn about various technological aspects about how STEM Education can be used as an asset for humanity.

It was a really good opportunity for the students to dive into the scientific world.

They witnessed experiential learning from professors and researchers there who introduced developing scientific machinery which can be used in various fields of life.

The students were accompanied by Ms. Meenakshi Uniyal, Mr. Ram Krishn Mishra and Ms. Prajya Dutta.
