

**St. Cecilia's Public School**  
**General Awareness Quiz**  
**(Classes III to V)**

**Date: 11.2.26**

A General Awareness Quiz was conducted for students of Classes III to V in the respective classrooms. The objective of the quiz was to enhance students' knowledge of current affairs, basic science, social studies, environment, and general knowledge, while also developing their confidence and teamwork skills. The questions were age-appropriate and designed to encourage logical thinking and awareness of the world around them. The audience was also given opportunities to answer questions, which kept everyone actively engaged. Students displayed great enthusiasm, confidence, and team spirit throughout the event. The competition was healthy and exciting. The event was a great success and helped in improving students' awareness and overall personality development. Such activities not only make learning enjoyable but also motivate students to stay informed and curious.
