

St. Cecilia's Public School
REPORT ON PARTICIPATION IN
GREENING DRIVE IN DOE SCHOOLS
ORGANISED FOR CLASSES I TO XII

In Compliance with Circular no.F.No. DE.40(6)/90/SCB/2024/1163-1168 regarding Greening Drive in DOE Schools and Circular no. F.No. DE .40(6)/90/SCB/24/935-940 regarding celebration of Tree Plantation Drives to attain the target of ‘Thirty lakhs thirty thousand saplings’ in the session 2024-25 and in support of ‘EkPed Ma KeNaam Campaign’ initiated by CBSE in the month of September, Eco Club of St. Cecilia’s Public School endeavored to incessantly motivate the students and the extended community to plant trees on a monthly basis to contribute in their own small yet hugely significant ways in this encouraging initiative of the Department of Education.

Trees serve as the pivotal lifeline of all further forms of life that exist on the planet Earth. They are the main source of food, clean air, clean water and so many other products that we literally thrive on everyday. The impact of the human activities on the population density of trees has been immense and now we have reached to a stage where we have disturbed the balance of nature to observable miseffects. Its high time that we need to understand the stakes involved in the hour and take immediate steps towards conserving the Mother Earth, The foremost in which is replenishing the Mother Earth of its floral cover , simply saying, growing the trees back to replenish our natural diaspora.

As part of this initiative and to express their solemn commitment to the cause , Eco Warriors of classes I to XII, actively came forward and planted a sapling each to contribute in a small yet significant way to this huge cause. They also pledged to spread the message of plantation in their family and community to strengthen this campaign , to help it reach its visionary goal.

Madam Principal, Madam Co-ordinators and all the subject teachers actively supported the students in this collaborative endeavor and the whole environment resonated with positive constructive energy to bring this vision of Green Delhi – Green India come to reality.
