

**St. Cecilia's Public School**  
**Geekoz IT Club**  
**Class VI-VIII**  
**E-Poster making Competition**

The Geekoz IT club organized an e-Poster Making competition on 25.10.2023 for the students of Classes VI to VIII. Class VI students created e-posters on the Topic “Addiction of Mobile phones”. Class VII made E-posters on “Cyber Safety and Security” and Class VIII on “Digital Citizenship”. They used different apps like Canva, Powerpoint, Photoshop and MS-word for creating these e-posters. Through their posters they gave messages about the ill effects of mobile phones, how cyber safety and security can be practiced by being alert and smart while using Internet. One should be respectful towards fellow internet users and keep oneself safe to become good Digital citizen. Students showed a lot of creativity and created beautiful, message giving e-posters. Geekoz IT club is thankful to Madam Principal for allowing them to conduct this competition which was a learning experience for the students.
