

St. Cecilia's Public School

Maths Club Activity

Title: Hop and Learn

Topic: Skip & Counting

Class: III

Date: 26.04.24

Objective: To reinforce students ability to read and understand 4 - digit numbers through hands-on learning.

Our Class III students embarked on during our Maths activity held on 26th April 2024. Through engaging them by hopping and jumping, our young learners strengthened the concept of skip counting. Different colours were used to highlight different skip counting's such as 2, 5 and 10. The excitement was palpable as they coloured their findings after hopping / jumping ,blending learning with fun seamlessly.

Here are some glimpses of the activity!!
