

**St. Cecilia's Public School**  
**Class Assembly**  
**Class X-D**  
**Theme: Life of a Mother**

Morning assembly of the senior wing was conducted by class X-D on 15.05.2023. The assembly started with a prayer that filled our hearts with gratitude and humility. The prayer was sung by the choir group and students in unison. The pledge was taken and followed by the thought for the day. Next to keep students updated with the ongoing happenings around the world the news was rendered by the students.

On the occasion of Mother's Day, to honour and celebrate mothers worldwide a short skit on the theme- 'Life of a Mother' was performed by the students which acknowledged the important role that mothers play in shaping our lives and sacrifices in raising their children contributing to their families and communities. Following the skit, a self composed poem by one of the students of X-D was recited on stage that emphasized the significance of an emotionally available mother in our life. The assembly concluded with the national anthem.
