

St. Cecilia's Public School

CLASS ASSEMBLY

PRIMARY WING

Class III C

DATE: 14.2.2023

TOPIC: MAHASHIVRATRI AND PULWAMA ATTACKS

Since the festival of Mahashivratri was nearing, students of class III-C chose the topic – “MAHASHIVRATRI” as their basic theme. Students participated actively in the class presentation during assembly. The assembly began with the students signifying the importance of Mahashivratri through the medium of skit and singing the shlokas. Students were dressed up as Lord Shiva, Parvati, Brahma and Vishnu for their enactment roles. They readily conveyed to the audience the purpose of Mahashivratri, relating it to the present day scenario. With 100 percent class participation, the students were able to create a divine atmosphere. Along with skit, students also did a dance performance. After the celebration of Mahashivratri, students talked about the horrifying Pulwama attacks and remembered the martyrs from each state of India. They spoke patriotic poems and observed silence for 2 minutes. The aim was to inculcate a spirit of patriotism and a sense of gratitude among the students for our soldiers. Both the topics inculcated the interest of students, and each student played their roles effectively and made the event successful.
