

Assembly Report

Topic : Monsoon Season

Date : 30.07.2026 Class: III-B

A morning assembly was conducted in the school to celebrate the arrival of the monsoon . The assembly was presented by the students of Class 3 B.

The assembly began with the prayer, followed by the thought of the day and song. The students introduced the topic by engaging in an educational skit highlighting the water cycle and how the monsoon is both a boon or a bane in our country ,how farmers embrace the rain along with the challenges faced during rains like malaria, skin infections and dengue .Students spread awareness about safety precautions gracefully holding colourful banners.

The assembly concluded with a lively dance performance by the students that filled the hall with joy and left everyone prepared to embrace the season safely.
