In the fun filled activity kids came dressed up beautifully in western dress and were very energetic to perform their dance forms enthusiastically. Dressed in colourful costumes, they twirled, flipped and jumped on the stage to create a wonderful spectacle of talent. They all were wearing beautiful props made by their respective class teachers. Students' happiness was amply evident. They were cheered with applause and appreciation.

**Lemonade Party**  
**7<sup>th</sup> May (Nursery) and 8<sup>th</sup> May (Prep)**

To introduce sweet and sour taste to the tiny tots and also to show the process of making this instant healthy drink, a 'Lemonade Party' was organized for the students of Nursery & Prep. The children were demonstrated how to prepare "Lemonade" by stirring sugar in water and then squeezing lemon into it. To enhance the taste, salt and black pepper were also added into it. Later on, instant, healthy

lime water was relished by all the children. The idea behind this activity was to make the little ones understand the importance of drinking lemonade in summers instead of other beverages. New words like squeeze, stir, pour, serve, brim level of glass, thank you, etc. were taught. The students were happy to have a second serving too.
