Place Matters Quiz

CATTS and IGNCA jointly organised the 4th edition of the Festival of Places 2022 on 17 December 2022 at Indira Gandhi National Centre for the Arts (IGNCA), Janpath Building, Janpath, New Delhi. The quiz is titled PLACE MATTERS: a quiz on children's place in public spaces and is synchronised with the theme for the festival this year: Making Cities Inclusive. Two students of our school, Salman Alam and Riya Singh of Class XI participated in the quiz and received participation certificates..

The quiz was highly interactive and sensitively curated and helped the students deepen and broaden their awareness of rights and responsibilities of using public spaces and empower them with an understanding of overcoming the challenges they face when interacting with public spaces. It was a new and quite an interesting experience for the students.
