<b>Date</b>	<b>08.05.25 and 09.05.25</b>
<b>Name of event</b>	<b>Pamphlet Making Competition</b>
<b>Topic-Class VI</b>	<b>Earth Day/ Green Transportation</b>
<b>Topic-Class VII</b>	<b>Fit and active:Stay healthy/Reduce,Reuse ,Recycle</b>
<b>Topic-Class VIII</b>	<b>Stay Safe online/Climate Change is real</b>
<b>Softwares used</b>	<b>MS-Word/MS-Powerpoint</b>

A **Pamphlet Making** competition was successfully organised by Geekoz IT Club for the students of classes **VI-VIII** on **08.05.25 and 09.05.25** on the above topics in Junior and Senior Computer Lab. The students who were finalised after the first round made the pamphlet on one of the topics given. The objective was to enhance students' digital literacy, creativity and awareness about current global and personal well-being issues through informative design. Participants used **MS-Word /MS-Powerpoint** for designing their pamphlets. This allowed students to explore digital tools for layout design, text formatting, image insertion and presentation. The event witnessed enthusiastic participation across all eligible classes and they competed for I, II, III positions. Few students were also given Consolation prizes .

The event was organised by Ms. Sakshi under the guidance of Ms. Prajya Dutta (Geekoz IT club incharge) and the Judge of the event was Ms.Richa Yadav. School Principal Ms. Inderpreet Bhumra encouraged the participants. The winners were presented certificates and medals.
